PHQ220 Sinker

All internal parts in PHQ220 Sinkers are also used in PHQ220 AV Jacklegs,

This Sinker Drill delivers high High Frequency Penetration.

Standard operating controls are Located on the drill backhead.

Positive lubrication with strong front end blow.

Light weight balanced handling

"T" Handle is spring loaded to reduce the transference of vibration from the rock drill to the drill operator's hands and arms. Lessens driller fatigue.

Front end locking steel retainer for collared steel standard.

Use with rock drill oil or grease.

PHQ220 Sinker Drill

PHQ's new 220 Sinker Drill is very light weight and easy handling for those smaller drilling projects.

ISO 9001:2000

Certificate: 002485
